

Annual Report

Manav Sansadhan Evam Mahila Vikas Sansthan

Year- 2018- 2019

Promoting Justice and Empowerment

An Introduction of MSEMVS: - Manav Sansadhan Evam Mahila Vikas Sansthan is a National level non-government organization (NGO). It was established in 1990 under guidance of veteran social scientist and contemporary Vice Chancellor of Mahatma Gandhi Kashi Vidhyapeeth & M.P (Member of Parliament) Prof. Raja Ram Sastri. It is a secular and non-political institution, which intended working without any personal benefits.

Vision: - Envisage a society that journeys towards fuller humanities.

Mission: - Initiatives that empower people and enhance the transformation of society ever striving towards building on inclusive, participatory, harmonious, & just society.

About MSEMVS work:-

MSEMVS has been working on the issues of children and women focusing bonded labour, debt bondage, child labour and human trafficking through protection and prevention since 1996. **Bonded Labour, Debt Bondage, Human Trafficking for forced labour and Child Protection** are the key themes of the work.

Around 1996, MSEMVS began to work directly on issues of trafficking, child labour, and bonded labour. On 16th December 1996, Supreme Court of India given a historical Judgment on child labour, the enforcement agencies speeded up their efforts to get the children out from hazardous work. A number of child labour rescued from carpet also without any effective mechanism of their rehabilitation. MSEMVS realized that in absence of proper rehabilitation the children would again be moved to work. MSEMVS started 1st ever its Transitional School in one village and Anti Slavery work started from one village and reached out more than 580 villages.

Project Activities undertaken in 2018 -2019

- 1. Ensuring Freedom through Education project:** - In Eastern part of Uttar Pradesh a number of children are crushed to work in brick kiln, agriculture, and domestic servitudes in the lieu of debt taken by their parents. Most of the time those children work with the parents and their human right totally denied in this situation. Education is one of most powerful weapon to free children from the child labour and MSEMVS started its first ever non formal education centre in 1996 in carpet area and in last 22 year more than 8000 children have been taken out from Mining, brick kilns, carpet weaving, quarry mines, domestic child workers and agriculture through Education Transitory Rehabilitation.

MSEMVS team implemented transitional school and Remedial coaching project for the children come out from child labour and debt bondage slavery. We are providing non – formal education to children. There are 20 Non – formal schools in this project in different areas and total **16240** Individuals including children benefitted.
